---	----------------------

WSDOT total project appropriations	\$21,090,000
---	---------------------

Local agency total project appropriations	\$134,060,000
--	----------------------

Policy Provisions:

1. Section 134 moves a 2005 earmark intended for Spokane region rail improvements to a different rail account.
2. Section 116 retains the Senate provision that provides access for solid waste vehicles to a "transit only" ramp following completion of necessary safety improvements to the ramp.
